In the 1930 s , Five poor Italian families struggled for survival on the streets of New York City. The Pepperonis, the Calzones and The Broccoli Brothers turned to organised crime. The Filofaxes turned to VERY organised crime.

Only one family tried to stay on the right side of the law. They came from a small town outside Rome, called Tivoli. This is their story.

The show is a dead-funny cocktail of all the Mafia Movie classics from "The Godfather" to "Pulp Fiction " but most of all, it is classic Crazy Christmas.

So - be advised - book your tickets NOW for this fast-selling, fast-shooting show and you can be sure that they will make you an offer you can't refuse !
