The Collector by John Fowles

Almost a love story  
He began with Butterflies  
But you could be next ...

Frederick is obsessed with Miranda, a beautiful, privileged art student. He is repressed, introverted & unloved. A collector of butterflies and a photographer. When he wins the lottery he buys a remote farmhouse & abducts Miranda. Having imprisoned her in his cellar he discovers the reality is far from his fantasy.

A superb psychological thriller that is by turns sad, tense and horrific.

What makes the fate of Miranda, and all she represents, so chilling is not what happens to her, but what does not.
