Witty, biting, ferocious & unbelievably funny...

God of Carnage is a viciously funny and biting comedy that takes place in the aftermath of a playground fight between two schoolboys. Their parents decide to meet to "talk" it out. What starts as a polite discussion soon degenerates into verbal warfare with all four adults revealing their own issues and true colours.

Winner of both the Tony and Laurence Olivier Award for 'Best Play' – God of Carnage is a fast paced comedic satire described as a "comedy of manners...without the manners."

Harry Burton - coming from the UK to direct this with us.
