The establishment of trust between a trafficked person and social workers is essential for a positive outcome resulting in protection and the non criminalization of the person.

In this performance you will meet Joy, who was sold as a child into domestic slavery in Nigeria, trafficked into Spain and then into Denmark.

You will also meet Michelle, trauma therapist who is the daily leader of HopeNow, a Danish NGO and Stephanie, a performer from C:NTACT.

Trust describes the changing relationship between Michelle and Joy.
