'A Night in New Orleans' by Esben Just

Let storytelling pianist Esben Just guide you on a musical journey through the deep South.

Here, you will meet jazz-musicians, Mardigras Indians and former slaves from Africa. You will practically smell the burning of incense from nearby voodoo rituals and 'Feel the Spirit' of Sunday morning at Gospel Church. You will get to know the essential New Orleans – from charming city streets to age-old traditions and culture.

Be happy and come along on a trip to 'A Night in New Orleans.'
