Gæsteforestilling på SCENESOMMER af Sydhavn Teater

This is an in-between performance about Superheroes™, a copyright infringement and a lecture wearing Spiderman™ costumes singing Superman™ soundtracks showing Batman™ wherever we see fit. This is a performance that wants to get sued and a statement: those are our heroes, too.

After acclaimed performances in Norway (Brageteatret, Drammen and Festiborg, Sarpsborg) and Sweden (Swedish Biennial for Performing Arts at Malmö Theatre Academy) the superheroes are now coming to Copenhagen for the first time!

Produced by Bombina Bombast and Tiny Beast Productions

Supported by Danish Arts Foundation, Kulturbryggen and Nordic Culture Point
