Buy your tickets for the two performances in Block 03:

Like: In LIKE we see a “dancetopian” wish to express and interpret both the present and the future, and we look forward to welcome you to experience emojis, likes and sharings on the floor by this upcoming duo.

Beyond Collapse: A group of young people tries to build their own utopia, without knowing that their efforts take place under circumstances extremely controlled. Will they find a way, or are they trapped in a strictly tainted environment?
