BODY NEWS

The 3rd year students of Dance and Choreography give fresh blood to the energetic and physical vocabulary of two scenes from the very first two Ultima Vez/Wim Vandekeybus productions: "What the Body Does Not Remember" (1987) and "Les porteuses de mauvaises nouvelles" (1988). Here, the movement is approached as a theatrical act.

KALEIDOSCOPE

"Kaleidoscope" is the result of a collaboration between Ursula Robb and the 1st year students. Ursula has guided the students in generating their own movement material and then applied choreographic processes and compositional tools that she keeps from her work with the Belgian choreographer Anne Teresa De Keersmaecker and the company ROSAS.
