Anden genre - Gadeteater

**Spillested**  
Pladsen bag Værftets  
Madmarked, Pladsen

**Arrangør**  
Passage Festival  
**Producent**  
Cie Woest

Can you circumvent or overcome the laws of gravity? This question was the starting point for Lucky Shots, the new performance of Cie. Woest. Sprung from the desire to achieve that which is physically impossible; defy gravity. Call it naive or provocative, arrogant or rebellious. Last summer Cie. Woest went to work. They fought gravity and experimented with new ideas and movements. It soon became clear that they would not succeed in their mission.
