

# A STORY OF A HOUSE THAT TURNED INTO A DOT

REPREMIERE

11-10-2018 - 11-10-2018

Af Teatret Gruppe 38

A story about how long the road home is, when anger has made you run away.

She became so hopping mad  
She became so fizzling furious  
She became so livid with rage  
that she opened the window and climbed down the ladder  
and then she ran.  
She ran and ran and ran  
And ranranran  
And she ran there and she ran around  
And ran over and ran under  
And ran down down down down down  
And ran upupupupup  
And ran forward and ran along  
And ran of of of  
And when she turned  
The house had turned into a dot
