"Would anybody like to hear a joke?"

"The Clean House is a romantic comedy about loss, love, change and redemption. It tells the story of five disparate characters in a mix of fantasy and reality. Lane, the career-oriented doctor who has hired Matilde, a sassy young Brazilian comedienne who hates to clean.

Charles, Lane's husband who leaves her for his mistress Ana, a passionate, older Argentinian woman upon whom he recently performed a mastectomy. And Lane's sister Virginia, a neat-freak who obsessively loves to clean."
