Ready to go on a trip? This very small trip is for you!
Two girls take you to a destination of your choice. Our visual travel agency takes you wherever you want. It offers tiny private trips. In a nutshell. Griet welcomes you at the check-in desk, and helps you to choose your destination.
Audrey is waiting for you behind the boarding gate, ready to take off.
On her desk: various office objects like pencils, an eraser, sticky paper, ...
These objects are the starting point of each journey.
Paper/object theatre, pop-ups, object manipulations, and even hidden surprises in the uniforms of our two hostesses form the play & the dream of these very small trips.
