MEDVIRKENDE

Pär Andersson, Linda Blomqvist, Mikko Hyvönen

Duende is moments with a presence beyond the ordinary. Extremely tangible but hard to put into words; the magic that may appear in an esthetic experience, where everything is heightened and present in the moment.

Duende is a collective creation of the singular and personal story, exploring the discrepancy between the personal and the political, saying yes to the ability of dance and music to convey emotion and storytelling.
