Tell me what's Wrong

-tales from a relation under construction.

You took so loooooong!

You spend hours in the bathroom.

You are rolling your eyes all the time!

Puking in the sink instead of the toilet.

Listening to bad music...

Tell me what Wrong is a Punk-performance about parenthood and how parents stumble over their own feet to figure out how to deal with their teens. And how this relation, this mirroring between two generations folds out?

the performance is in English.
