Have you ever been mortified by your own actions after a drunken night? Then you just might nod recognizingly to the revealing and hilarious moments of this compelling play by Michael Ross. The Shy Manifesto is a bitter-sweet tender comedy about growing up as a timid 17-year-old, eager to find acceptance for his shyness. Through the digital universe of his vlog, Callum delivers a potent manifesto, which reveals his intimate thoughts about sexuality, society, humiliation, self loathing and ultimately his quest for acceptance.
