Void

A male and female duet, Void invites you to pause and reflect on the pandemic. Responding to the experiences, thoughts and feelings of the dance artists and a group of young people in Manchester, the duet explores the rich tapestry of emotions and reactions, both good and bad, to covid and lockdown. With varying energy and pace, and a rainbow of different dance styles and influences, Void showcases Chameleon's unique and athletic dance style, and takes you on a journey exploring an extraordinary space in time.
