MEDVIRKENDE

Stuart Lynch

Lynch Concert is a sublime contemporary blend of performance, theatre and Butoh dance. Touching, provocative, and sometimes very funny, Lynch Concert is a simple, yet beautifully crafted solo work created out of smaller solo works. Here the sum of its parts is an exceptional whole in Lynch's exploration of power, religion, death, betrayal, and how a knife slicing a cucumber close to a penis suggests an end to the patriarchy...or almost.
