What happens when casting a musical goes all wrong?

Broadway, Rearranged! is a cabaret-style musical production that only follows one rule: no one is right for the role.

But don't worry. This mega talented group of singers is up to the challenge as we present a miscast meandering through musical melodies.

Come join us for a night of stories, gossip, and games as we hear some of history's greatest show tunes as they were never meant to be sung — or were they?

The CPH Musical Theater Co is Copenhagen's premiere source for English-language musical theater performance and appreciation.
