'Possible Worlds' is a play that searches for the soul; an investigation where reality twists and imagination folds in on itself. John Mighton's masterwork is a hauntingly beautiful exploration of the human experience, delving deep into the mysteries of consciousness and the fabric of existence. Through a captivating blend of mathematical philosophy, science fiction, and murder mystery, this spellbinding tale challenges perceptions and ignites the imagination. With its dark, moody atmosphere and visceral storytelling, 'Possible Worlds' invites audiences to ponder the very essence of thought and reality. A theatrical experience that is as thought-provoking as it is evocative. A timeless jugg
