**Administrativ ledelse**

**Andreas Constantinou**

HIMHERANDIT Productions was formed in 2003 in London and moved to Aarhus, Denmark in 2009. HIMHERANDIT Productions is primarily led by the artist Andreas Constantinou and is a project based company. Each production varies in size with collaborators and performers entering and exiting the company on a project basis. This enables the company to continuously grow through cultural and artistic exchange. On going collaborators that lead projects alongside Andreas with HIMHERANDIT include; Noelia Mora Solvez and Magnus Errboe.

To date HIMHERANDIT have produced, performed and exhibited works nationally and internationally. Currently the company is specifically focused on creating bold productions to tour nationally. The aim is to focus on pushing artistic boundaries and broaden artistic perspectives, communication and culture through Denmark.
