MEDVIRKENDE

Christiane Bjørg-Nielsen, Linda Elvira, Ian Burns

Shakespeare's Women are
Exciting. Fascinating. Complex. Eternal.

London. 1613. The Globe Theatre has just burned down.
Shakespeare returns from Statford-Upon-Avon to try and pull a pheonix from the ashes. He has
to write a new play for the reopening of the theatre. The pressure gives him writer's block. He
turns to his earlier plays for inspiration and in the process some of the women he created
appear and interact with him.

Shakespeare's poetic quill laid open the depths of woman's nature. Beside exquisite emotion,
terrible passions play their dangerous and fatal part.

PUBLIKUMSINFORMATION
