What have you done? Why are you in Hell? Where time no longer exists. Where the senses fade. Where eternity tortures you. Three killers in a room. Each with their own story. Their individual pathways to Hell. Yulia, sniper and spree killer. Liam, commissioner of state murder. Kamila, guerrilla and black widow. Brought together in a single incident. Sharing their private space of Hell. Why not tear each other apart?!

"Hell is other people." - Jean-Paul Sartre

No Exit – Reloaded is a new look at one of the world's most famous noir plays set in the near future 2022, in the post Brexit and post Trump era of modern terrorism.
