

LA FABIOLA FUNNY SHOW

Af Compagnia La Fabiola

© Manfred Kilian

FABIOLA is an extremely sophisticated string puppet that enters the scene sitting in a pushchair... slowly she makes her first steps and starts joking with the public, culminating in a playfully falling in love on someone in the audience. At this point she starts doing all sorts of things to try and send him a message of love. Her hilarious folly will get her to write, type, answer the phone, sing, dance and wink in a growing up of sketches and will take the audience to interact to her as if she were alive.
