Martin, happily-married husband and father, has fallen in love with Sylvia.
To his wife, he has been her everything for decades.

What happens when infidelity strips a marriage bare?
And what after all is normal?
How do you rebuild a family when the unthinkable happens?

Just the conversations after the play with friends, are reason alone to watch!

Performed in English, with an all-British cast, a guest production, produced by Down the Rabbit Hole. Playmate Theatre Malmö is southern Sweden's only professional, small cast English-language theatre company.

Winner of the 2002 Tony Award for Best Play, Pulitzer Prize for Drama.
By arrangement with Josef Weinberger Limited, London.
